Kindly hosted by  
Representation of the Free State of Bavaria  
to the European Union

- Markus Hirvonen, Regional Council of North Karelia
- Leire Barañano, Basque Institute for Agricultural Research and Development
- Rastislav Raši, National Forest Centre Slovak Republic
- Martin Schwarz, Landesbetrieb Wald und Holz North Rhine-Westphalia

#### 12:45 Lunch

#### 13:45 Section 4: Break-out Session 1: Presentation and discussion on innovation initiatives

(See speakers list on the last page of this programme)

*In 3 rooms innovation initiatives will present their case with an introductory pitch, followed by in-depth discussion with participants. One room is dedicated to each of the following topics:*

- 1-Carbon Market, Bioeconomy, Climate Smart Forestry and Rural Development
- 2-Forest Degradation and Nature Restoration
- 3-Provision of Ecosystem Services

*In each topic, digitalization and social innovation will be addressed.*

#### 14:45 Short Break for Rotation between Break-out Sessions

#### 15:00 Section 5: Break-out Session 2: Presentation and discussion on innovation initiatives

Participants can rotate to another room to learn about other cases/another topic (same presentations as in Section 4)

*In 3 rooms innovation initiatives will present their case with an introductory pitch, followed by in-depth discussion with participants. Same three topics as in Break-out Session 1.*

#### 16:00 End of Break-out Session 2 and Re-Assembly in the Plenary

#### 16:15 Section 6: Plenary Session-Reports from the break-out sessions

Report on main messages from the break-out sessions by the rapporteurs (5 minutes each)

- 1-Carbon Market, Bioeconomy, Climate Smart Forestry and Rural Development
- 2-Forest Degradation and Nature Restoration
- 3-Provision of Ecosystem Services

-General Discussion

#### 17:00 End of workshop

to the European Union

### **More information**

Workshop moderator: Harald Mauser, European Forest Institute.

Workshop language: English.

Workshop cost: The event is free. Organisers cannot provide any support for travel and accommodation expenses.

### **Break-out sessions speakers**

#### **1- Carbon Market, Bioeconomy, Climate Smart Forestry and Rural Development**

- The forest digitalization test laboratory - Leena Leskinen, Metsakeskus
- Circular use of engineered wood by a general take back obligation - Markus Steppeler, DERIX
- Sustainable forest management of Alpine forests in North-East Italy - Giorgio Alberti, Free University of Bozen-Bolzano

#### **2 - Forest Degradation and Nature Restoration**

- Restoration activities in two areas affected by wildfires - Paolo Battelli, Unione Dei Comuni Mediavalle Del Serchio
- Use of LiDAR and satellite for forest health assessment and monitoring - Tristan Perret, Forestry Club de France
- The role of regenerative forestry in safeguarding biodiversity - Timo Lehesvirta, Metsä Group

#### **3 - Provision of Ecosystem Services**

- Multi-Objective Decision Support System (CAFE) for forest management - Maurizio Cocchi, EUBIA
- Photogrammetry using drones under canopy and prototype in the form of a backpack with a stereoscopic camera - Rodrigo Gómez, CESEFOR
- A decision support system for optimizing forest ecosystem services in the context of a wood-based bioeconomy - Martin Brunsmeier, Rosenheim Technical University of Applied Sciences
